

Birthday Book Club!

Celebrate your child's birthday at school by adding a book to our Media Center collection. For a donation of \$12 (PTO funds subsidize books costing more.) Your child may choose a book from our Birthday Book Club Shelf. Or, if you prefer, you may purchase a new hard cover book of your choice and donate it to be designated as your child's birthday book. (Book must be age appropriate for elementary students, and no paperbacks, please.) After a book is chosen, a special book plate with your child's name, birthday, and the year the book was donated will be placed in that book. He/She will be the first to check out the book. This book will be a lasting reminder of your child's special day and will be enjoyed by other students for years to come.

Each Birthday Book Club member will receive a Birthday Book Club Pencil and Bookmark as well as having their picture added to the Birthday Book Club bulletin board in the Media Center, and their name in the Cooks Chronicle news letter. There will also be special prizes awarded to the 25th, 50th, 75th and 100th etc. members to join. And, each time another 25 books are added, one name from every classroom will be drawn from among all current Birthday Book Club members to receive prizes as well!

Fill out the form below and send it along with your \$12 donation to Ms. Cox in the Media Center. Your child may then select a book from our special Birthday Book Selections which (after processing) will be checked out to them and delivered to the classroom. You may join at any time throughout the school year. The earlier you join, the more chances you will have to be eligible for prize drawings! Extra forms are available

Cooks Corners Birthday Books

Name _____ Birthday _____

Teacher _____

Make checks (\$12) payable to: Cooks Corners PTO

Please allow 1 week for processing. This form will be returned for your records.
