Dear Parents,

ISTEP Round II.....*ding!*

Now that our ISTEP + Applied Skills and IREAD-3 test (A job well done, third graders!) is behind us, the ISTEP spring testing window is officially open.

For four days, the third graders will complete the online portions in Math and English/Language Arts. As always good nutrition and adequate rest is important to their school success and overall health. Please make every effort to have your child to school on time and present on our testing days.

Your child may bring a light, healthy snack to keep his/her energy levels up and his/her spirits positive. We CAN do this!!!! ☺ Thank you for your cooperation.

Sincerely,
Shannon Gonzales
